Cardiva Integral Solutions

La primera compañía española dedicada a la fabricación de cobertura quirúrgica de un solo uso.

Coverline es el sistema integral de cobertura quirúrgica de un solo uso que ofrece al sector sanitario productos y servicios con calidad y valor añadido, implementando soluciones globales a la gestión veterinaria.

Beneficios de Coverline:

- Efecto barrera a las bacterias.
- Impermeabilidad a líquidos.
- Sus filamentos continuos impiden el desprendimiento de partículas.
- Altísima resistencia a rasgaduras y a abrasión.
- Excelente comportamiento a la esterilización y su posterior almacenamiento.
- Resistencia a la combustión.

Entreprise espagnole leader spécialisée dans la fabrication de consommables chirurgicaux à usage unique.

Coverline est un système global de matériel consommable chirurgical à usage unique, qui offre, au secteur de la santé, des produits et des services de qualité ainsi qu'une valeur ajoutée, et des solutions à la gestion vétérinaire.

Atouts de Coverline:

- Effet barrière aux bactéries.
- Imperméabilité aux liquides.
- Ses filaments empêchent le détachement de particules.
- Grande résistance aux déchirures et à l'abrasion.
- Excellente réaction à la stérilisation et au stockage.
- Résistance à la combustion.

The leading European manufacturer of single-use surgical products used in the operating room.

Coverline is an integral single-use surgical cover system that offers the healthcare sector products and services with high quality and value-added advantages that provide global solutions to vet management.

The key benefits of Coverline are:

- Excellent barrier effect against bacteria.
- Superior impermeability to liquids.
- Continuous filaments stop detachment of particles low linting.
- Very high resistance to tear and abrasion.
- Excellent maintenance of sterile integrity and improved shelf-life.
- Fire resistance.

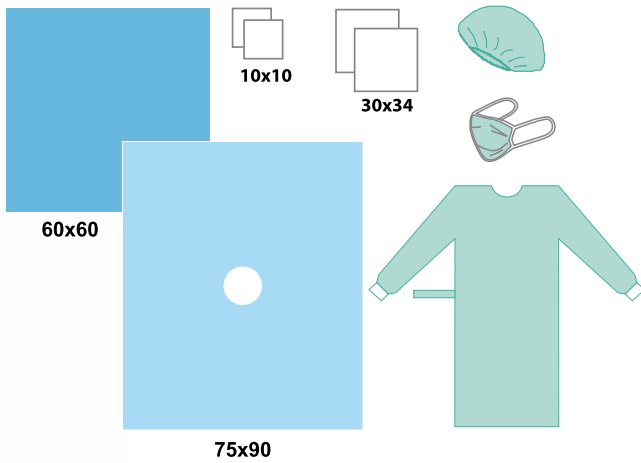

La prima azienda spagnola dedicata alla fabbricazione di coperture chirurgiche monouso.

Coverline è un sistema integrale di copertura chirurgica monouso che offre al settore sanitario prodotti e servizi di qualità con valore aggiunto, implementando soluzioni globali per la gestione veterinaria.

Vantaggi di Coverline:

- Ottimo effetto barriera antibatterica.
- Impermeabilità ai liquidi.
- Filamenti continui che impediscono il distacco delle particelle.
- Altissima resistenza a graffi e abrasione.
- Eccellente comportamento alla sterilizzazione e successivo stoccaggio.
- Resistenza alla combustione.
