- ✓ **HD- High Definition lens** provides optimal non - distorted visualization.
- ✓ **G.G. - Glare Guard** – Our unique anti-glare angled lens, totally eliminates unwanted reflection.
- ✓ Velcro closures ensuring secure fit around oculars.
- ✓ Additional poly adhesive straps (green) for tight fit around microscope arm, securing excess cover material.
- ✓ Total protection and sterility for your costly equipment.
- ✓ Simple covering of microscope, easy to follow instruction in each cover.
- ✓ Latex-free.
- ✓ Covers are made of high grade clear polyethylene.
- ✓ **All microscope covers are standard equipped with our high definition (HD) lens.**
